Revenue 2025	**Revenue 2026 YTD** Jan-Sep	**Open pipeline** 2 opps	**Health** PDP feed delays

Where we are

Visionet runs clinical and revenue-cycle application support (AMS, CTR-7062) and is building the Patient Data Platform on Microsoft Fabric (PRG-2003, amber). The Epic Clarity ingestion feed is six weeks late because Fabrikam's privacy office (Rachel Stone) required a new de-identification review in August.
