Relecloud	Renew AIOps; GenAI service desk in year 2; OSS/BSS re-tender	Renewal budget approved	Renewal; GenAI copilot; OSS/BSS re-bid with partner
Halcyon Health	Move claims data mart to Fabric	CR-0219 budget $380K-$520K	OPP-24240
Wide World Importers	Cut IT cost 12%; keep WMS stable	No new projects in FY27	Defend renewal with automation

Patterns across clients

- Data platform consolidation and Microsoft Fabric dominate new investment (Woodgrove, Fabrikam, Halcyon).
- Run-cost pressure is rising in managed services (Wide World, Northwind): renewals need automation-funded savings.
- Regulatory deadlines (CMS, BCBS 239) create fixed dates that clients will fund.
